

If more space is required, you may list additional IP addresses with present usage of such on a separate sheet of paper and attach it to the end of this form.

•Number of additional IP addresses required:

A) Now: _____

•Number of additional IP addresses requested: _____

Note: If your organization already has IP address space assigned, you must utilize 80% before applying for more IP address space.

•Please use the space provided below to describe why you strongly believe or are confident you require the number of IP addresses requested in item 4.

Co-location clients: Please note that equipment behind firewalls does not require globally unique IP addresses.

•Please list any additional domains, not yet listed above, requiring a dedicated IP address.

Example:

1. *Domainname.com – reason*

2. *Surpasshosting.com – needs dedicated IP address for a SSL certificate*

Note: the following are valid reasons for IP Address Justification: Private Name servers, Mail servers, Private FTP Access, SSL Sites. "I would not like my domains to share the same IP address," is not a valid reason.

1. _____

2. _____

3. _____
